**Intro:**

**Co Host 1:** Hi and welcome to \_\_\_\_\_, I’m \_\_\_\_\_.

**Co Host 2:** And I’m \_\_\_\_\_. This is episode \_\_\_\_, and we’ll be discussing \_\_\_\_\_. If you’re a fan of the show, please do follow us on \_\_\_\_\_.

**Co Host 1:** Now let’s get into it!

**Idea 1:**

[This is the first point you’re going to discuss in your episode. Make sure it’s all clear and relevant!]

Transition into...

**Idea 2:**

[Ideas should build on one another, each feeling like a natural continuation of the previous one, building on concepts explained earlier on.]

**Mid break:**

[Break during the episode which includes your most important CTA OR a message from your sponsors]

Transition into...

**Ideas 3, 4, 5...:**

[Just repeat the process until your episode topic is covered to the degree you wish to go to.]

**Outro:**

**Co Host 1:** [Conclude what you have spoken about] And that’s it! Thanks so much for listening, this show really wouldn’t be possible without you. If you’re a fan of the show, please leave a review on Podchaser (**or similar CTA**) – the link is in the show notes.

**Co host 2:** Thanks, [Co Host 1], and thanks to everyone listening at home. Until our next episode, remember [podcast notable].
